* * * * *

I. Describe a time where you were placed in a leadership role. It could be at school, with family, friends or in some other situation.

II. What organizations or groups have you been a part of, what offices held and what did you gain from this experience?

III. List any Community Service work you have done, amount of time spent and role within this work.

IV. List any accomplishments done, awards received, achievements, recognitions and activities that you have done.

V. What are your future academic plans and where have you been accepted?

VI. Describe a time that you did something special for someone that made a difference in their lives.

VII. Please attach a copy of your current resume.

VIII. You will need to submit two (2) Letters of Reference with this application. One must be from your technical program instructor, the other can be from anyone else, but not a family member. The letters should support the information you have given above and bring up new traits about you.

When you have finished the above Stowe Rotary Club Scholarship Application, have attached a current resume, and have the second letter of reference, give this package to your technical program instructor who will write his/her letter of reference for you. Your

instructor will then submit the entire package to Mr. Limoge for the Scholarship Committee for review. Thank you.
